Season's Greetings,

Thank you for attending the EPA's Open House at the Harris County Courthouse December 11, 2014. We appreciate your input and look forward to working with you in the New Year. The Texas Organizing Project submitted several questions for our review. Please see the attached "CES Q&A" document. The Community Involvement Team is eager to improve communication efforts. Please feel free to submit questions, comments, recommendations and contact information for concerned parties.

Respectfully,
